

## NETCOMM WIRELESS AND SYNnex CANADA SIGN A DISTRIBUTION AGREEMENT TO ENHANCE M2M AND END-TO-END MOBILITY SOLUTIONS IN THE CANADIAN IT CHANNEL

---

**11 March 2013 (Sydney): NetComm Wireless Limited (ASX: NTC)**, a leading global developer of innovative broadband products, today announced a distribution agreement with **SYNNEX Canada Limited**, a wholly-owned subsidiary of SYNnex Corporation (NYSE: SNX) and a leading distributor of IT products, mobility solutions and services to more than 8,000 resellers throughout Canada, offering a new choice for Canada's Machine-to-Machine (M2M) and end-to-end mobility value-added resellers.

NetComm Wireless Managing Director & CEO, David Stewart said, "This exciting new collaboration with SYNnex Canada gives NetComm Wireless the capability to grow its presence in the North American markets. Our strategic relationship with SYNnex' Global Mobility Solutions group builds a new source for quality products and support for complete end-to-end mobility solutions, offering value-added reseller centric solutions backed by SYNnex' extensive distribution infrastructure and service-oriented commitment to their resellers."

"SYNNEX Canada's distribution agreement with NetComm Wireless presents M2M mobility solutions that are vital to our mobility value-added resellers' overall competitiveness in multiple verticals across the Canadian market from one source," said Mitchell Martin, President, SYNnex Canada Limited. "NetComm Wireless' high-performance, innovative and cost-effective products have not been readily available in the Canadian channel until now. With this relationship, SYNnex Canada can help our mobility resellers create attractive offerings to secure end-to-end mobility solutions and hardware opportunities with their end-user customer base."
